Reports from Councillors

Cllr Mulhearn reported that the UK Power works in St Margaret's are now complete.

It was agreed that Cllr Warne should pursue trying to get the Flixton lake path reopened so that the GPC, even if the attempt fails, can state to the Flixton residents that it did all it could to get the path reinstated.

Cllr Warne is still in the progress of trying to prevent vehicles driving on the grass in St Felix Rise. He is currently awaiting a response from East Suffolk Housing.

Cllr Warne is currently working with Mr Terry Hunt to organise for the Payback Scheme to cut back the footway beside the B1062 between the village sign and the Buck inn.
